Errata

A statistical error appeared in the Perspectives column entitled "The Nature and Future of Literacy: Point and Counterpoint," by Phil Hatlen and Susan Jay Spungin, which appeared in the July 2008 issue of JVIB. Due to an editorial oversight, the figure of older visually impaired individuals in the United States was listed as 1 million. The sentence should have read, "Of the total number of visually impaired individuals, 5.5 million are aged 65 and older."
